

PRESS RELEASE

DDGHP and AGL Applications being accepted

At the August training session, each district was given the DDGHP and AGL applications for the ensuing year. The deadline for the forms is November 21st and are mailed DIRECTLY to the Grand King.

Each district should have a district caucus. Even if you will be repeating for the next year you still must fill out the forms and send them to the Grand King. It is very important that this process be complete on time. Please advise the DDGHP selectees that they must report to mandatory training on December 13th in Albany/Rotterdam area. This will be the only training prior to their appointment and is the only opportunity to understand the Grand King's goals and objectives for the ensuing year.
